

Breaking News!!

The Coventry Band and Choir will be traveling to Walt Disney World from March 1, 2023 through March 7, 2023. This is an exciting opportunity for all of our students and we could not be more pleased to plan this trip. As with any trip of such a large scale, many details will be coming. Please plan to attend an initial **trip meeting on Monday March 7, 2022 at 7:00pm in the Coventry High School Auditorium**. We will have as many details as possible, and will answer all of your questions at this meeting.

One of the most important details many of you will be looking for is the price. The cost of this trip will be approximately \$1100 per student. This is not a final price and is subject to change. With that said, it is as close as we can get by approximating many factors. With the date and price in mind, we ask that you please complete the following Google Form ASAP. The result of this form will give us a better idea of how many buses we should reserve which we need to do ASAP. Finally, regardless of your plan for this trip at the moment, everyone should attend the meeting on March 7th in order to receive all of the information.
