Re: 2026 Marching Band Schedule

Coventry Band Students and Parents,

Scan the QR code below and scroll to July 2026 - October 2026 for the CHS 2026 Marching Band season calendar and schedule. It takes you to the ["Schedule of Events" page on the Coventry Band website](#). Many are making summer plans at this time, so I wanted to get this out as soon as I could. All attempts to work around the band schedule are greatly appreciated. Notice all the Saturday's throughout the season are currently scheduled as "Possible Band Show." These dates are not yet set by the Band Show hosts. Once I have confirmed dates, I will be sure to share them. I will plan to schedule approximately three of these weekends.

Each student's attendance at **all** band events (rehearsals and performances) is incredibly important and expected. Missing any rehearsal time puts students incredibly far behind and catching up after missing one or more rehearsals is often difficult and overwhelming. With that said, students are allowed and encouraged to participate in other school activities. I am always willing to work with coaches and advisors to work out a schedule that will allow students to participate in other activities. Please keep in mind that frequent and appropriate communication on schedules and conflicts is always expected.

Absences for unexcused reasons will not be tolerated, may lead to ineligibility to perform, and will have a negative impact on the student's grade.

I would encourage everyone to add the Google Calendar version to your phone or other devices through a Google account. You can do so by going to the [coventrybands.com](http://coventrybands.com) website, clicking on "Schedule of Events," and then clicking the "+" symbol next to "Google Calendar" in the bottom right hand corner. This would sync the calendar to your account, update with any changes should they occur, and can be set to send you notifications and reminders of upcoming events.

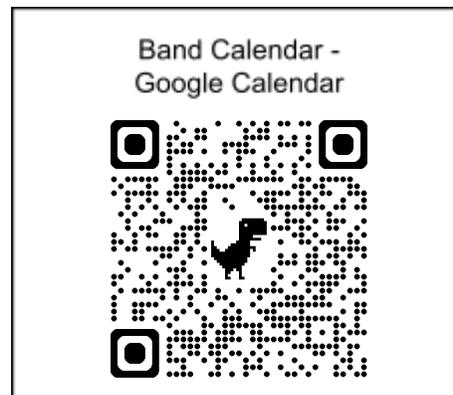

Please note that this **schedule is subject to change**, but I will always do my best to communicate any change as early as I possibly can.

As always, please carefully look through this information and let me know if you have any questions!

Sincerely,

Brandon Cummings
